

Lower Key Stage 2 Cycle A – Autumn 2

Textiles-Cushions (fastenings)

Knowledge

What is applique used for? (For mending or decorating a textile by applying smaller pieces of fabric)

How do you create a seam?

Why is it important to leave space on the fabric for the seam?

Why are some products turned inside out after sewing so the stitching is hidden?

Skills

I can design and make a template from an existing cushion.

I can follow a design criteria to create a cushion.

I can select and cut fabric precisely using fabric scissors.

I can thread needles with greater independence.

I can tie knots with greater independence.

I can use cross stitch to join fabric.

I can decorate fabric using appliqué.

I can complete design ideas with stuffing and sewing the edges.

Research (Explore existing products), Design, Make, Evaluate (against criteria)

Vocabulary: applique, cross stitch, design, equipment, fabric, patch, running stitch, thread, seam, texture, knot
