

What is Times Tables Rock Stars?

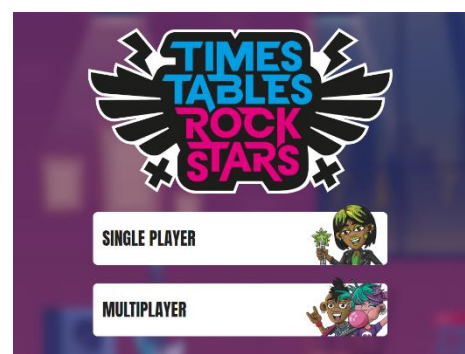

Times Tables Rock Stars (TTRS) is an engaging, award-winning maths learning platform where children can practise their times tables like a rock star! The question-based games automatically adapt to each child's unique learning needs, helping them to recall their times tables in record speed. Accessible on any device, via the app or browser, children can play anytime, anywhere. Pupils access TTRS at school, as well as being expected to access it at home. TTRS is suitable for all learners aged 6 years and up.

How Often Should my Child Access Times Tables Rock Stars?

The expectation is that all pupils access TTRS for a minimum of 10 minutes a week, outside of school. Most pupils will access TTRS more than this, as regular practise supports fluent recall.

What Game Mode Should My Child Use?

There are different single player and multi-player game modes. When playing as a single player, the Garage is the best place for mastering individual tables as it's highly rewarding (10 coins per correct answer) and very carefully personalises the questions for each player in every game.

How do Pupils Login to Times Tables Rock Stars?

All pupils have been sent home with login details. They first need to find the school using our postcode (M22 4NR) and then login using the username and password provided.

Help and Support

If you have any questions regarding TTRS, times tables or any other aspect of the maths curriculum at St Wilfrid's, please contact Miss Clark or Mrs Melody on Dojo, or catch them at the end of the day.
